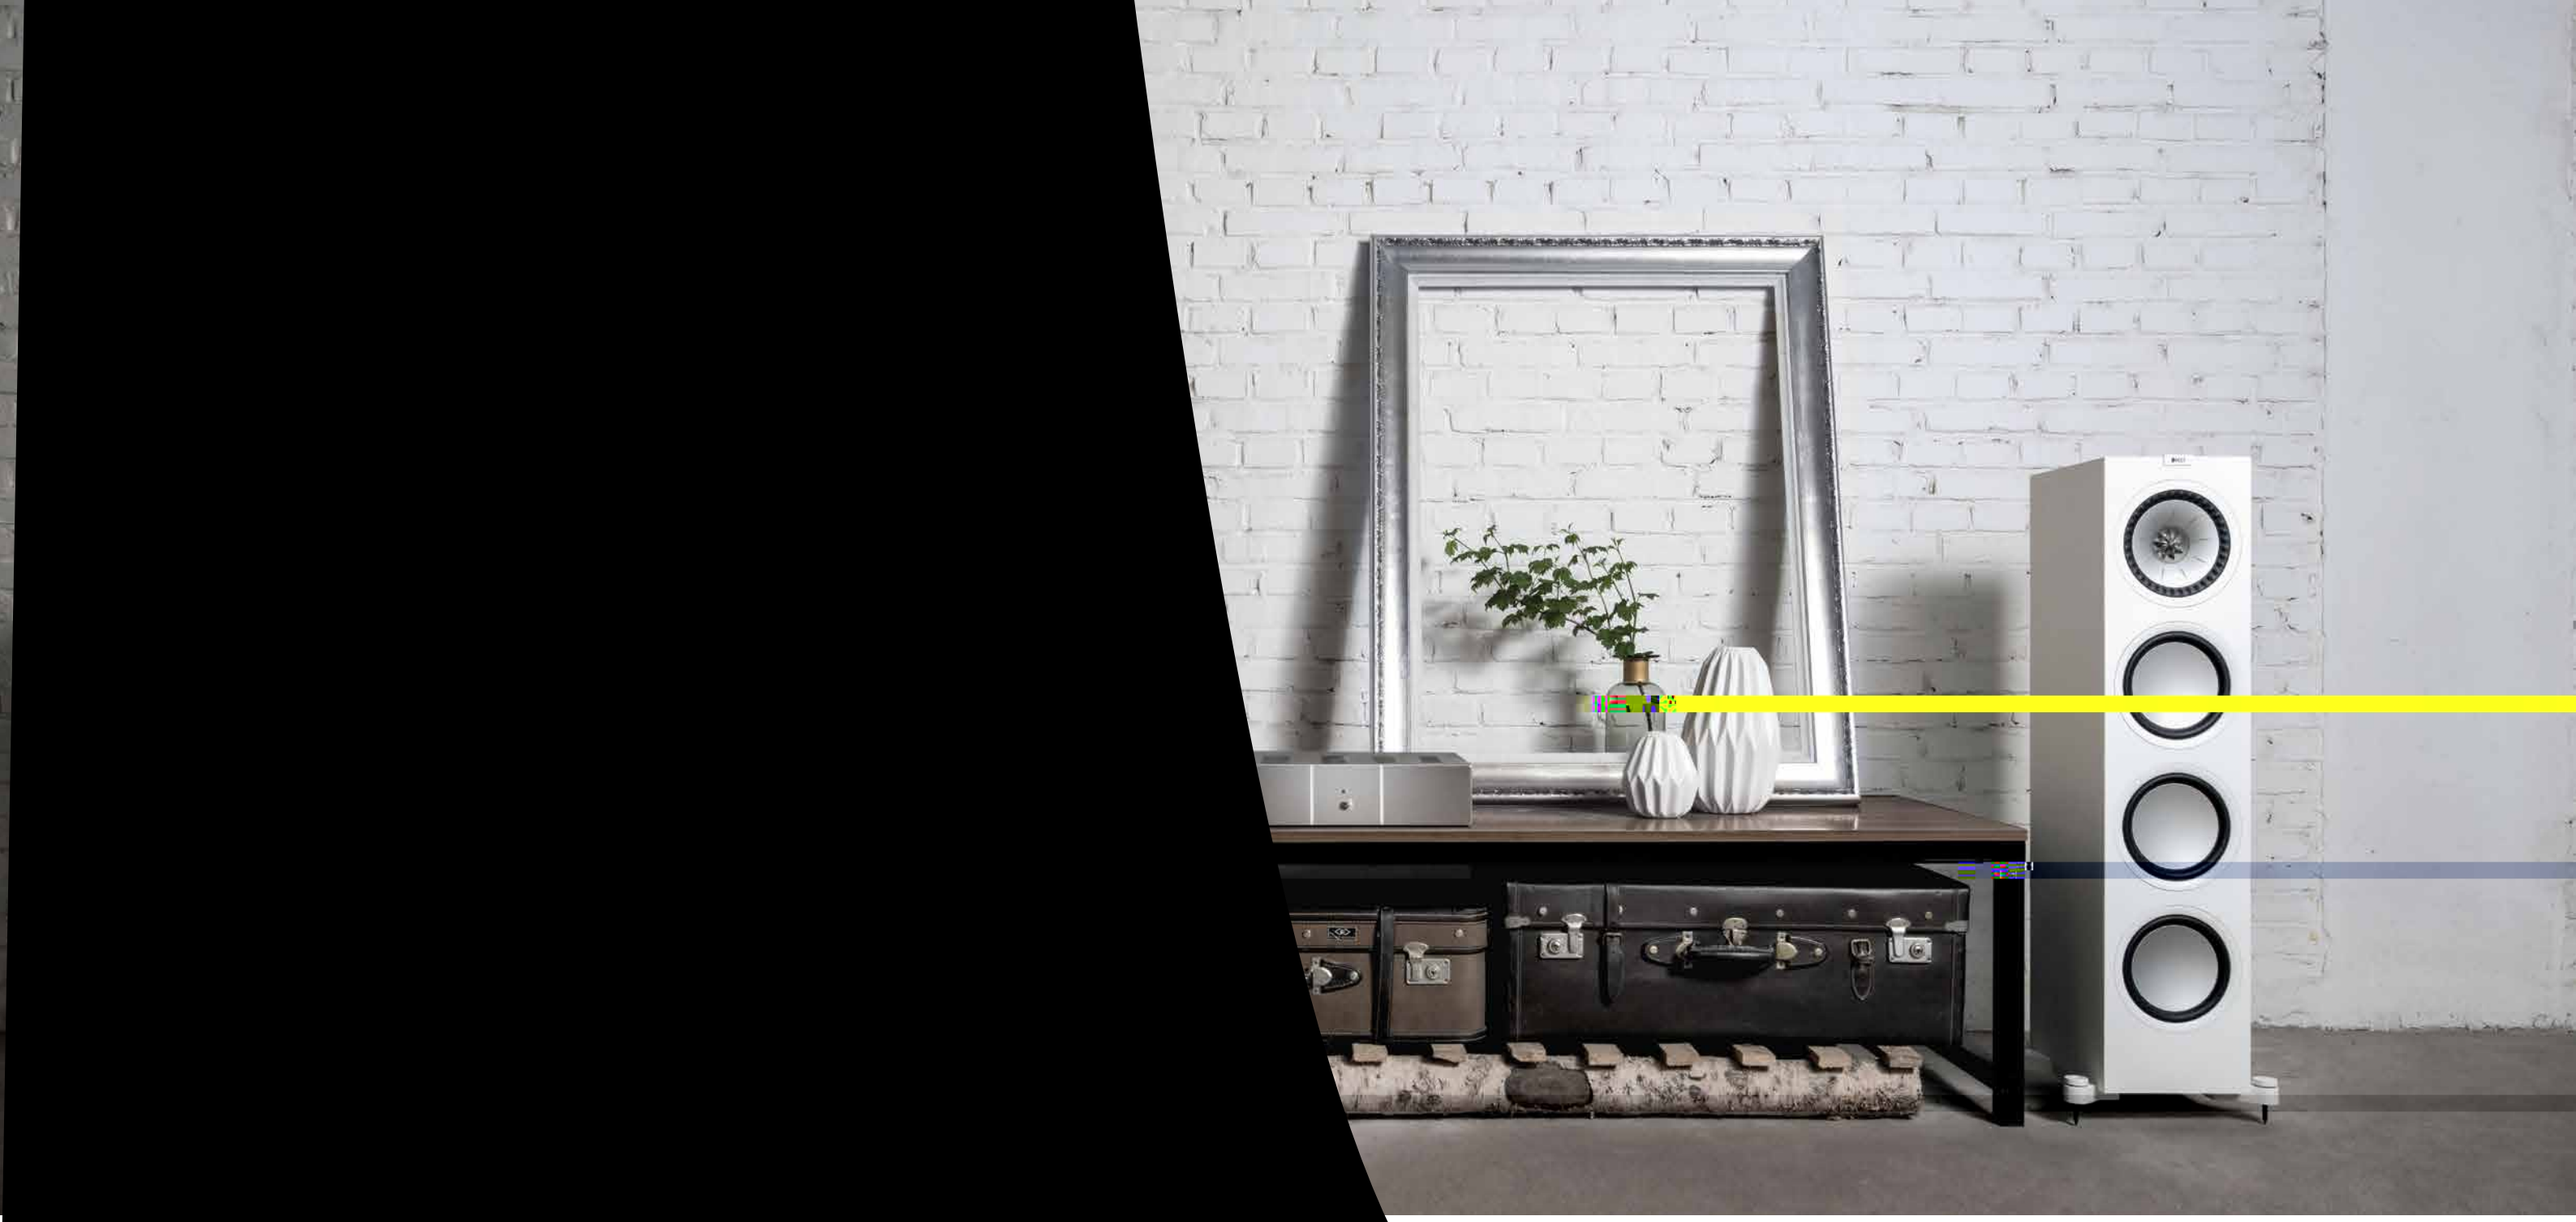
and more clarity

KEF

OBSESSED WITH HIGH RESOLUTION

At KEF, we believe that music should not just reach your ears, but your heart. Our passion for music drives our quest for quality sound, and inspires constant innovation. We develop tools that deliver music faithfully and honestly, in all its glory. We believe that everyone deserves to experience music as it was meant to be heard.



of life's great joys is to experience the intensity of

an outstanding record

Acoustic excellence is born this way

The latest enhancements to Q Series :

At th art of the evolved Q Series is the legendary Uni- river array. This signature innovation places the tw er in the acoustic centre of the midrange and bass , bringing the acoustic ideal of a single point source er than ever to realisation.
